

SUMMER DAY CAMP

Join us at the EECC for
Summer Camp

"I just wanted to let you know how impressed I was with the March Break Camp that the East Elgin Community Complex offered. My son had an excellent time - he loved the skating the best but also enjoyed playing basketball and other games. I originally signed him up for four days, Monday to Thursday, and when we were driving to the Complex on Thursday morning I told him this was his last day, he almost started to cry."
